Registration: Team registrations are accepted on a first come first serve basis until leagues are filled. By turning in this form you realize that you are initiating into a contract with CISC. **Registration deadlines for all divisions for guaranteed acceptance is two weeks prior to the start date. After that date, teams will be accepted if spots are available.**

Games – CISC reserves the right to cancel or combine age groups due to the number of registrations and also to adjust day and times of leagues due to the number of participants. All teams will play at least eight games per session. If any travel league plays an unbalanced schedule (play some teams once and other teams twice), the top four teams may have a championship tournament. Playoffs will not be held for U6 and U8 co-ed and rec. divisions. Playoffs for other rec. divisions and adult divisions will depend upon the number of teams in the division. Playoff games & rescheduled games (inclement weather) may be played on weekdays not advertised for this specific age division. Games will consist of two 24 minute halves.

Cost /Referee Fees– League registration fees per session are as listed on registration form. Each team in all divisions will also pay a referee fee prior to the start of each game. See registration form for specific referee fees. Referee tickets may be purchased in advance at the office. This way one check can be used for the league fee and referee fees for the session.

Rules - Complete rules are available on our web site at www.carroll-indoor.com or stop by our office if you would like a copy. All teams will play 7v7, except Open Men and Boys 1999 (U18) which will play 6v6.

Facilities - All games will be played on one of our three cushioned turf fields. Electronic scoreboards, spectator seating, warm up areas & large snack bar help to make CISC a complete family friendly facility.

Player Cards/Rosters: All divisions U9 and above must obtain a CISC photo player card. The card is turned into the referee prior to each game. The card states the player's name, team, division, etc. to ensure the player is eligible to play for that team. Age verification is required to apply for a player's card. (Birth Certificate, passport, a state ID, etc).

Schedules: No games scheduled for 11/24, 12/24, 12/25, 12/31 & 1/1.

Forfeits: After schedules have been posted, rescheduling games is not an option. If a team cannot field enough players for a game that game will be forfeited. Teams forfeiting a game must pay both referees fees (home and away team) for the forfeited game. Forfeits fees must be paid at time of forfeit; credit card on file can be used to pay fee.

Snowed out Games: Snowed out games may be made up on days kids are scheduled to be off school for in-service or holidays.

Divisions - CISC reserves the right to combine groups or place teams at their discretion.

Rec. Divisions: **Individuals playing in a travel division of U14 and younger who also choose to play in a co-ed or rec. division must play two years up in those divisions from the player's age. For example a U11 player playing U11 or U12 travel is eligible to play U13 or U14 co-ed or rec but not U12 rec. or co-ed. A U10 travel player who is playing U11 travel may play in U12 co-ed/rec or older.**

Travel Divisions - Players may only be rostered for one team within any age division and may not play both "A" and "B" divisions for any age bracket. If two age divisions are combined, players are still limited to one team within that group. However, a team may have two entries within an age division that play under one roster (see rules).

Age Requirements: Divisions are determined by a player's birth year.

Awards – Individual trophies will be given to the winning team in all leagues U14 and under. U15 and over winning teams will be given an age appropriate award. We will give up to 15 trophies.

Standings – Standings, schedules, rules & other information will be posted on our web page at www.carroll-indoor.com. No league standings will be kept for U6 and U8 coed and rec. divisions.

Registration – To register for either session, just fill out the enclosed registration form & mail it to: CISC, 515 Old Westminster Pike, Westminster, MD 21157. A \$200 non-refundable administration fee deposit is due with the form for each session. The balance of the league fee must be paid prior to the first game of the session. Deposits will be returned to any team not accepted, but not to any team that withdraws. Register early – our 2015-2016 winter session filled with 335 teams.

Questions – Call 410-857-5098 for any additional questions.

Player Card System-After your registration has been received and accepted each player will need to come to the office to get a player card. Players under the age of 18 will have to have a parent accompany them to sign the waiver form. This player card must be given to the referee prior to each game and will be given back after the game as long as no red cards were given. The photo card is used to determine that each player on the field is playing in the appropriate age division and on the appropriate team. The cards will be used in all age groups and divisions U9 and above. **For new players, the photo card costs \$10 and is good for one year. Proof of birthdate is required for all new players but not for players carded last year.** For players who were carded last year, the renewal card will cost \$5. If playing on a second team in another age division a second card is needed at a cost of \$5 for both new and renewal players.

Scheduling: We realize that teams occasionally have scheduling conflicts. CISC will make every effort to honor a reasonable request if made at least two weeks before the opening date for each session. Such requests must be noted on the registration form. Please consider tournament dates, dances, etc. **Only one request per team will be honored. Rescheduling is not an option after schedules have been posted.**

Players may only be rostered and play on one team in the same age division. Players may not play in both A and B divisions within any age bracket. However, adult teams may use goal-keepers that are rostered with another team.
